DETAILED ACTION

Allowable Subject Matter

Claims 1-3, 11, 12, and 17-19 are allowed.

The following is an examiner's statement of reasons for allowance:

Regarding claim 1-3, 11, and 12, the prior art of record, either singularly or in proper combination, does not disclose or suggest the combination of limitations including a sampled grating, including a plurality of sampled grating having a first grating phase separated from each other by portions with no grating; and a first grating burst portion at a beginning of a first one of the sampled grating portions having a second grating phase, wherein the second grating phase is different from the first grating phase.

Regarding claims 17-19, the prior art of record, either singularly or in proper combination, does not disclose or suggest the combination of limitations including a sampled grating including a plurality of sampled grating portions separated from each other by portions with no grating; wherein the sampled grating portions each have a first grating phase and a second grating phase.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
